PASTORS NOTE: The kingdom of God is not some theoretical, future existence. It is now! It is created one act at a time. It embraces every family of every race and creed and culture. God's kingdom, Jesus says, "is not far" – it's as close as our homes, it is lived in our love for our families and friends. It is realized in every act of compassionate charity and selfless sacrifice, when our humanity most resembles God. It is built of the respect and honor we afford to all God's sons and daughters, for in our love and care for them, we most sincerely praise God. In the two-fold "great commandment," we discover a purpose to our lives much greater and larger than ourselves and our own needs, interests, prejudices and biases.

IMPROVEMENT FUND COLLECTION: This weekend, there will be a second collection for the "**Parish Improvement Fund**" which is used for major repairs on the church, etc.
